Features

• Transparent Design: LucidMount-15 has a transparent design to add a touch of style to your car's interior to give you a one-of-a-kind charging experience.

• 15W MagSafe Charging: LucidMount-15 magnetic wireless charging car mount aligns with your smartphone and charges your compatible devices at 15W lightning speeds.

• Quick Magnetic Alignment: Forget the awkward fumbling; the perfectly aligned magnets on LucidMount-15 snap onto your devices quickly and seamlessly, keeping them secure, even through bumps and turns.

• Sleek and Slim Design: LucidMount-15 has a sleek and slim design that perfectly complements your smartphone device and adds a touch of style to your car's interior.

• Charge with Confidence: The onboard safety chip in LucidMount-15 provides overcurrent, overheat, over-voltage, and short-circuit protection, so you can charge with confidence.

• Cradleless Design: The cradleless design allows you to set your music in portrait mode or use the navigation in landscape mode with ease.

• Case Compatibility: Charge without removing your case. The LucidMount-15 magnetic wireless charging mount is engineered to work with most lightweight cases.

Precautions

Please read all safety instructions and warnings thoroughly before using this product. Improper use of this product may result in damage to this or attached products.

1. Wipe the product using a soft cloth and don't use solvents like benzene or alcohol.
2. Do not leave the dock in standby mode. Turn off the power and pull out the plug when not in use.
3. Do not store or use the product in a high-temperature environment, including intense sunlight or heat.
4. Do not operate the device inside a closed box, please make sure that enough ventilation is provided.
5. If there is any reason to believe that there is damage to the product, discontinue use immediately.
