Specifications

- Input: 5V/2A, 9V/2A
- Output: 5V/1A, 9V/1.67A
- Apple Watch Charger: 3W
- Wireless Charger: 5W/7.5W/10W/15W
- Total Output: 15W
- Wireless Charging Efficiency: 75-80%
- Wireless Charging Distance: <8mm
- Wireless Charging Frequency: 110-205kHz
- Cable Length: 1.2m
- RF Output Power: <=20dBm

Features

• **2-in-1 Charging Solution:** Featuring dedicated charging modules for your iPhone and Apple Watch, MagRing is a stylish charging solution for your Apple devices.

• **Transparent Design:** MagRing has a transparent design with tempered glass that adds a touch of style and uniqueness to give you a one-of-a-kind charging experience.

• **15W MagSafe Compatible Charger:** Wirelessly charges your latest iPhone or other device by simply placing them on the charging module.

• **3W Apple Watch Charger:** The foldable 3W magnetic wireless charging pad provides quick magnetic alignment and fast charging for your Apple Watches.

• **180° Foldable Structure:** MagRing has a 180° foldable design that opens up to offer stable dual-device charging as well as maintains its lightweight form factor for enhanced portability.

• **Ultra-Slim Sleek Design:** The sleek, ring-like design aligns perfectly with your devices and adds a touch of style to your desk space while the super slim structure makes it portable.

• **Multi-Protect System**: This wireless charging station has a built-in multi-protect safety system with high-temperature, over-current, and over-charging protection.

Precautions

Please read all safety instructions and warnings thoroughly before using this product. Improper use of this product may result in damage to this or attached products.

1. Wipe the product using a soft cloth and don't use solvents like benzene or alcohol.
2. Do not leave the dock in standby mode. Turn off the power and pull out the plug when not in use.
3. Do not store or use the product in a high-temperature environment, including intense sunlight or heat.
4. Do not operate the device inside a closed box, please make sure that enough ventilation is provided.
5. If there is any reason to believe that there is damage to the product, discontinue use immediately.

Compatibility

MagRing is compatible with all devices supporting Magnetic Charging, and Apple Watch.

Appearance & Interface Description

- o Apple Watch Charging Module
- o Magnetic Wireless Charging Module
- o USB-C Input Port
- o LED Indicator
