Neo-10

30W Power Delivery Smartphone & Apple Watch Charging Power Bank with in-built USB-C Cable

Introduction

Neo-10 is the epitome of portable power, featuring a robust 10000mAh battery and premium design for an elevated on-the-go device charging experience. With an integrated Apple Watch charging module and an extendable fabric braided cable, the Neo-10 offers swift 2.5W charging convenience. The 30W Power Delivery port ensures rapid charging for USB-C devices, complemented by an in-built USB-C cable that eliminates the need for extra wires. Safety is integral so the Neo-10 comes with a Multi Protect System to protect your devices, while the smart LED screen keeps you informed of the battery level. With its ultra-compact design and the Apple Watch charging cable doubling as a convenient handle, the Neo-10 is an ultimate fusion of power and portability.

Specifications

- Battery Capacity: 10000mAh, 37Wh
- Battery Type: Lithium-Ion

- USB-C Input: PD 5V/3A, 9V/2.5A, 12V/1.8A, 15V/1.5A
- USB-C Cable Input: PD 5V/3A, 9V/2.5A, 12V/1.8A, 15V/1.5A

- USB-C Output: PD 5V/3A, 9V/3A, 12V/2.5A, 15V/2A (30W)
- PPS: 3.3V-10V/3A (QC2.0/3.0, FCP & AFC)
- USB-C Cable Output: PD 5V/3A, 9V/3A, 12V/2.5A, 15V/2A (30W)
- PPS: 3.3V-10V/3A

- Apple Watch Charger Output: 2.5W
- Wireless Charging Distance: <2mm
- Wireless Charging Frequency: 329kHz-331kHz
- Wireless Charging Efficiency: 70%

- Total Output: 30W
- RF Output Power: < 20dBm

Features

- **Power-Loaded Battery Capacity:** Neo-10 boasts a powerful 10000mAh lithium-ion battery capacity, so you can keep your devices powered up, anywhere, anytime.

- **Apple Watch Charger:** The in-built Apple Watch charging module charges your devices at 2.5W speed ON THE GO, while the fabric braided cable is extendable.
- **30W Power Delivery Port:** Neo-10 provides blazing-fast charging for your USB-C devices like smartphones and tablets with the 30W Power Delivery input/output port.
- **In-Built USB-C Cable:** Forget the hassle of carrying extra cables as Neo-10 features a built-in 30W USB-C Power Delivery input/output cable that comes with a placeholder when it's not in use.
- **Premium Design:** Immerse yourself in the epitome of sophistication with Neo-10's premium design, seamlessly blending sleek aesthetics with cutting-edge functionality for a truly elevated charging experience.
- **Multi Protect System:** Neo-10 safe and dependable charging, as it features over-charging and high-voltage protection.
- **Smart LED Screen:** Featuring an LED screen, it will keep you informed on the charge left on your Neo-10 power bank.
- **Enhanced Portability:** Lightweight and portable enough to put in your pocket, place in your bag, and use on the go. The Apple Watch charging cable can also be used as a convenient handle.

Precautions

Please read all safety instructions and warnings thoroughly before using this product. Improper use of this product may result in damage to this or attached products.

1. Do not disassemble the backup battery or attempt to fix it.
2. Kindly use the original charging cable provided to charge the product.
3. Do not attempt to replace any part of this Backup battery or battery inside.
4. Do not crush, puncture, dispose of in fire, short the contacts or expose the battery to water or other liquids.
5. Do not connect input and output in reverse.
6. Do not store or use the battery in a high-temperature environment, including intense sunlight or heat.
7. Avoid drops, bumps, abrasions, and impacts.
8. If there is any reason to believe that there is damage to the battery, discontinue use immediately.
9. If you find that the battery is too hot, is emitting an odor, is deformed, punctured, or exhibits any suspicious or abnormal behavior, discontinue use immediately and contact our customer service.
10. Always charge this product before extended storage.

Appearance & Interface Description

1. USB-C input/output Port
2. USB-C Built-in Cable
3. Apple Watch Charging Cable
4. LED Battery Level Display
5. Power Button

Operation Instructions:

- 1. Checking the remaining power left in the Neo-10 backup battery.**
 - To view the remaining power, press the power button once and view the LED Battery Level Display
- 2. Charging Neo-10 backup battery**
 - Connect one end of the USB-C Cable to Neo-10 and the other end to a desktop/laptop or a USB Power Adapter. Or connect the Built-in USB-C cable directly to a desktop/laptop or a USB Power Adapter to charge.
 - Current battery level will be displayed on the LED Battery Display.
- 3. Charging devices using Neo-10**
 - Plug the Built-In USB-C Cable connector into your Smartphone and press the power button to charge.
 - Plug the USB cable into the USB-C output port on Neo-10 and the other end into the device and press the power button to charge.
 - Place your Apple Watch on the dedicated apple Watch Charger Cable on Neo-10 and the other end into the device
